MEMORANDUM FOR: [REDACTED] NSA

SUBJECT: Transmittal of letters

1. I am enclosing two of the letters which Bud is sending to the stations which we visited on our trip. This may look like slow progress but the next batch should hold many more letters to be forwarded to your various stations.

2. These two letters are unclassified; but as I mentioned to you, we would prefer they go through NSA secure channels to their destination.

3. If there is any question, please don't hesitate to contact me. Thank you.
